Invermere District Curling Centre

Curling is a beginner-friendly sport that is accessible to all ages – elementary school students to seniors. This makes it a great choice for staff parties, social events, including birthday and anniversary celebrations, association events and more.

The second floor lounge and bar is a great venue for wedding, birthday and anniversary celebrations, speaking events, classroom activities, and luncheons.

In the summer months, the concrete surface (where the ice is in winter) is also available for rental for large scale events.
